

HALF BOTTLES, MAGNUMS & MORE

Sometimes size does matter. This section offers our diners enjoyable alternatives with a selection of half bottles and big bottles to customize their food and wine experience. Half bottles can be the solution to the perennial question "red or white" or a chance to sample a glass (or two) of a fine bottling with a particular menu item.

Our super-sized bottles are a festive way to serve a special wine to larger groups of wine lovers. A magnum is a 1.5 liter bottle, or the equivalent of two regular-sized bottles.
